This letter serves as a national endorsement and recommendation of Captain Alfonso Morales to the interim position of Chief of Police for the Milwaukee Police Department. Captain Morales has exemplified the true meaning of public servant in his twenty-five year career in law enforcement.

Captain Morales career, resume, and police experience is impeccable. His career path has prepared him to lead the Milwaukee Police Department with 21st Century Solutions. During his tenure as a police officer in 1994, Captain Morales was assigned to the District Two Station and the Vice Division patrolling the streets, targeting violent gang offenders and drug trafficking while reducing crime. Upon his promotion to Detective in 1999 he investigated homicides and crimes against persons. Upon his promotion to Lieutenant in 2003, he was assigned to the Criminal Investigations Bureau, Criminal Intelligence Division, District Three, Internal Affairs, Police Academy, High Intensity Drug Trafficking Agency, and was the Crisis Negotiations Commander. Since his promotion to Captain he has been assigned to the District Two Station and the Investigation and Intelligence Bureau.

Captain Morales has served as a mentor and role model to many officers within the department, the Latino community and to the Milwaukee Stakeholders.

Captain Morales "Service First" attitude has been a true reflection of his reputation and because of the reasons listed, we are recommending Captain Morales for the position of Interim Chief of Police.
